You don't save money by paying less than the price of them; because you get less value.

Here are the new styles for spring: Young men's special models; styles for conservative men.

Dear Editor:

You will find enclosed \$1.00, for which send us your paper another year. We look forward each week to the coming of our home paper. It is the next thing to the letters we receive from our loved ones at home.

This is a very late spring. Farmers are just beginning to plant corn.

We had two of the worse blizzards in April I ever saw. Lots of stock perished in them. Some ranchmen lost 50 and 60 head of cattle. We lost a few hogs. Some places the traffic and trains were stopped for 48 hours on account of the snow drifts. Some drifts being 20 feet deep.

There is a big oil excitement out here now. They are putting down several test wells in our county. Struck oil in one the other day.

I wonder why someone don't write the Woodrow news.

Mrs. Bailey Van Hooser.

WANTED—Man with team or auto who can give bond to sell 137 Watkins home and farm products. Biggest concern of kind in world. \$1500 to \$5000 yearly income. Territory in this county open. Write today, J. R. WATKINS CO., Dept. 112 Winona, Minn. 5t-6-3.

Our Congress- man

What does he think of the farmer? Was he ever a farmer himself? Does he care more for free seeds for city folks than for county agents for farm folks? Is he for the farmers, now that he's elected, or has he forgotten them?

The COUNTRY GENTLEMAN

has been hunting up the farmers in Congress—and, let me tell you, it's like hunting for a needle in a haystack. At any rate, it is finding out who are the farmers' friends, and that's something to know.

In the issue of THE COUNTRY GENTLEMAN that will be out next week there's a big article called "How Congressmen Vote." I wish you'd read it—it sure is an eye-opener. There's an election coming on, and the farmers should know who are their friends in Washington. THE COUNTRY GENTLEMAN will keep you posted if you read it every week and follow its Washington dispatches. . . . Best way to get them is by subscribing. Comes right to your mail box 52 times a year—a great, big farm weekly, full of fine, friendly articles.

And it Costs Only \$1.00 for a Whole Year
